

## COVID-19 Mandate Update

Like other businesses that serve the public, we too are fielding questions about the 25% gathering limit.

Valley Fitness & Racquet is blessed with 92,104 SF of space and we have a state approved occupancy of 719 People. That means that during this time, we will only be allowed to have 179 people in our club at once. The good news is we have not approached that number recently.

We will continue to diligently clean, ask staff and members to mask up, safe distance, and use our large spaces to our advantage.

Our goal is to continue to provide our members an outlet for their mental and physical health in a safe and responsible manner.

EXEMPT:	IN EFFECT:
Colleges/schools	Bars
Churches	In-person dining
Polling locations	Stores
Political rallies	Office lobbies
Outdoor venues	Waiting rooms
Child care facilities	Gyms

Oct. 9 through Nov. 6

We can do this together
